

## WATERPROOF PAPER

Paper polyethylene roll with anti-dust property used as protection against the moisture coming from the wet concrete.

**Code**

1301025

| Feature                                       |                                                                                                          | Value              | U.M.           |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------|--------------------|----------------|
