

RDZ BIO PERIMETER BELT

RDZ BIO edge insulation made of natural hemp fibre.

- Harmless to human health
- Excellent insulation thanks to high flexibility, without artificial fibres or another synthetic materials
- Resistant to mildew and parasites

Code

1301030

Feature	Value	U.M.
Thermal conductivity (λ)	0,047	W/(m · K)
Volumetric mass (density) (ρ)	160-180	kg/m ³
Water vapour diffusion resistance factor (μ)	1	
Max. dynamic load (s)	84	MN/m ³
Trample noise reduction (ΔL_{nw})	~14-17	dB
Resistance to fire (European classification)	D-s2,d0	
Size	h. 150 x sp. 5 (mm) ; roll 25 (m)	
Storage	Store in a dry place and under shelter from the weather. Use it only in a dry place.
